

## Christ's College Taipei student achievement

Graduation Rate 2024 (TRACS) : Using the Fall 2018 entering cohort, calculate the percentage of first-time, full-time, baccalaureate degree seeking undergraduate degree completers who did so within 150% of the normal (or expected) time for completion.

### Freshmen Retention Rate for recent five years

	2020	2021	2022	2023	2024
MOE quotas	100.0%	83.3%	94.4%	52.6%	57.1%

Base on TRACS definition of Retention Rate

***Undergraduate Retention Rate:*** *Percentage of first-time, full-time baccalaureate degree seeking students enrolled in the previous fall who re-enrolled the current fall.*

From 2022 to 2023, there was a sharp decline in the retention rate due to the school faced significant operational challenges, which impacted student retention.
